Dear Rotarians,

Tutoring at Franklin Elementary School is restarting!

We are pleased to announce that tutoring at Franklin Elementary school is about to restart. School ends at 2:30 pm this year so that's our tutoring time for the afternoon session. Tuesdays, Wednesdays and Thursdays are available. Early mornings are also available if we have tutor volunteers that prefer morning time. If you are interested in volunteering time as a tutor please contact Mike Deputy. We already have 10 volunteers who have signed up - Thank You! But we could use more.

World Polio Day Dinner Held at Cottonwood Club

Utah Rotary was thrilled to welcome Nigerian Past District Governor Pearl Okoro as guest speaker for a District World Polio Day Dinner. Pearl has been recognized by Rotary International as one of five female Rotarians worldwide who has done the most to eradicate polio. We heard from Pearl Okoro we can't stop now - we have to finish the job of eradicating Polio. Many members of Club 24 (and guests) attended to support The Rotary Foundation and the Polio Plus project.

The Object of Rotary

Most of us are familiar with Rotary's Four Way Test. But it is likely that you have not heard of the Object of Rotary. So for all of our benefit – the Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity for service.

Second: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society.

Third: The application of the ideal of service in each Rotarian's personal, business and community life.

Fourth: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Excellence in the Community Concerts Continue

As you may know, our club is now a sponsor of free concerts presented by Excellence in the Community. The concerts will continue through the end of 2021. See my article with the schedule of performers and locations on page 4.

Thank you for all the ways you participate in Rotary.

Best,
Scott

Nigerian PDG Visits SLC for Inspirational Polio Talk

Nigerian Past District Governor Pearl Okorno visited Salt Lake City recently and spoke to our district's Rotarians at the Cottonwood Club. Pearl has been recognized by Rotary International as one of the five female Rotarians worldwide who has done the most to eradicate polio.

Club-Sponsored Excellence in the Community Concerts Continue Through 2021

By Scott Rosenbush

After a successful outdoor summer season, Excellence in the Community concerts are continuing at the Gallivan Center on Wednesdays at 7:30 pm. These take place indoors on the outdoor stage. Though that may sound confusing,

it is accurate. They close the partition in front of the stage, bring audience members onto the stage, and turn the act around to face the audience on the stage. The area is heated.

The only drawback is space. With this configuration they only have seats only for about 80 people. Seating limitations have obliged them to experiment with advance registration or reservations for seats. The concerts are still free, but since October 1 they ask people to reserve their places in advance via their website at: excellenceconcerts.org. Masks are required.

Below is the schedule for upcoming shows at various locations. All are free. None but the Gallivan require the advance reservation. All are welcome.

Gallivan Center
